Information

for hard working and deserving students going on to further education. The main selection criteria are: academic achievement, community & school involvement, and inspiring others. The amount of the award varies depending on the number of recipients each year.

Financial need may be considered.

The individual awards may range from \$500 to \$2000 and will depend on the funds available.

Cal Meyer was a Sooke resident who generously created an endowment fund for Edward Milne students.

The EMCS awards committee will limit recipients to a small group of the most deserving students with the best applications.

Information

the Kathy Kirk Memorial scholarship is awarded to one deserving student from Edward Milne Community School who has demonstrated that they wish to continue their studies of music.

The amount of monetary award may vary from year to year. It is the intent of the scholarship committee that the scholarship will be paid annually in the amount of \$250.00, but may vary from year to year, depending on interest accrual.

In the event that no one meets these qualifications this scholarship will not be given out, and funds held for successive years.

Students must maintain a "B" average in grade 11 and 12 final course marks required for graduation, submit a resume and provide two references, one from their community and one from their school.

Following proof of enrollment/registration and payment of fees the money will be paid directly to the recipient with the understanding that the funds must be accessed within 24 months of the offer.

Location Greater Victoria

Information

Reid Kyfiuk was a 15 year old boy who died on December 22, 2015 in a snowboarding accident on Mt. Washington. He was a student in SD63 (Saanich). Reid was a very lively, ambitious and intelligent person, who lived life to the fullest. He always had a smile on his face and was continually thinking of ways to make others smile. He loved sports, especially hockey, baseball and golf. Reid truly believed in the Golden Rule of treating others as you wish to be treated and that's how he lived out his strong faith. His religious beliefs directly impacted the way he acted. He simply loved people. Without being obsessive, Reid worked hard at always improving himself. He loved being outdoors, and could usually be found practicing whatever sport was in season. He loved his family, and always enjoyed coming up with the best impromptu jokes when everyone was together. Reid could always make everyone laugh. We invite you to tell us about yourself and how you try to have some of the same qualities that Reid held.

Requirements:

- "B" average or better;
- Participated in, or tried out/auditioned for curricular classes or clubs or school teams, and/or community activities, and
- Active member of a faith group.

Information

Each year, the fund provides financial assistance to deserving students who wish to pursue post secondary training in the artistic, academic or technical fields. It is the aim of the fund to make such education possible for students who may otherwise not have the financial means.

Up to eight Elmer Helm Youth Fund awards will be presented, of which a minimum of four will go to new recipients, while up to four may be given to prior recipients who are continuing their undergraduate studies. Each recipient will receive \$1,500 in two payments of \$750 in late August and January.

The Elmer Helm Youth Fund is open to young people under the age of 25 who wish to pursue post secondary training in an artistic, academic or technical field, and must be significantly involved in their community in a volunteer capacity. The fund is not primarily an academic competition. Evidence of strong academic achievement and potential is important. However, it is equally important that the applicant has demonstrated a significant contribution to the life of their community to exemplify the Neighbourhood House ideal of community services.

Information

Application materials are available on the IPHC website listed below.

The International Pacific Halibut Commission funds several Merit Scholarships to support university, technical college, and other post-secondary education. The scholarship fund has been established to assist the further education of Canadian and U.S. students connected to the halibut fishery and its industry. Generally, a single new scholarship valued at \$4,000 (US) per year is awarded. The scholarships are renewable annually for the normal four-year period of undergraduate education, subject to maintenance of satisfactory academic performance. A committee of industry and Commission representatives reviews applications and determines recipients based on academic qualifications, career goals, and relationship to the halibut industry.

Information

This bursary is renewable for 4 years. The amount varies but is expected to be around \$1200 to 2000 per year. Each high school involved will nominate one Grade 12 student who has overcome significant hurdles or hardships in order to attend college or university. Such hurdles or hardships may include financial difficulties, lack of family support, lack of role models, or emotional troubles.

ONE STUDENT IS NOMINATED BY STAFF. The selected EMCS student will then complete an application form and participate in an interview with the Harbourside Rotary Club. Belmont and Spectrum schools will also be nominating students. Only one of the 3 nominated students will receive the bursary.

Please make an appointment to see your counsellor in early April if you wish to be considered for nomination. The school must select our nominee by the end of April.

Information

The Shirley Women's Institute is proud to offer a bursary in the amount of \$400 to a young woman in her high school graduating year who, through her past experiences and with her future plans, continues to learn and preserve the skills needed to maintain a sustainable lifestyle.

Such a lifestyle includes skills such as: gardening, farming (growing and harvesting food, animal husbandry), canning, baking, sewing/textiles, crafting, cooking, agriculture, home skills, carpentry, furniture making, welding.

As well, awareness and interest in the larger issues which impact the lives of rural women would be expected. These issues include food safety and nutrition, the environment, health and education in rural areas, rural childcare issues, legal rights, literacy, rural renewal, farm safety, financial planning, violence against women and support for the elderly.

The recipient of this bursary would demonstrate that they are interested, informed and involved in building a better tomorrow through community service, environmental awareness and an awareness of local issues.

In your letter of application, outline your achievements specific to rural living and sustainability & your future goals in this area.

Please send your application for this bursary by May 10 to Fiona McDannold at fmcdannold@shaw.ca
