EMCS 10,000 Tonight (2017)

The Edward Milne Community School Leadership Program is happy to once again join forces with both Belmont Secondary School and Royal Bay Secondary School this year for our district-wide 10,000 Tonight Food Drive, running on Wednesday, December 13th from 5-9pm.

Belmont started this drive a number of years ago, and it has quickly become the Western Communities' largest food drive, providing much-needed support to local food banks. With 3 secondary schools now in the district, a challenge was put

forth two years ago to broaden the event even further, with the schools hosting their own drives in order to collect 10,000 non-perishable food items each... in one night. Last year, EMCS alone collected 11,000!

The entire EMCS community is excited about this massive, community-based event, and we are reaching out to the public in order to ensure the success of this year's 10,000 Tonight. This year, we have a particular need for volunteers, along with donations of nonperishable items. Additionally, we will also be accepting donations of clean, new or gently used socks, gloves, toques, and other items of clothing.

All early donations can be dropped off from Nov. 27 to Dec. 13 in the EMCS front office. Donations dropped off on the night of the event can be brought to the EMCS foyer. As well, there are many donation boxes for non-perishables throughout the community. Cash donation tins can be found at both Village and Western Foods. All food and other donations collected through EMCS will be going to support the Sooke Food Bank, which supports roughly 12,000 people from East Sooke to Port Renfrew.

If you are not able to get to a donation box, EMCS Leaderships will also be canvassing many Sooke neighborhoods on the night of the event, in hopes of making our goal of 10,000 a reality!

If you need more information or if you would like to volunteer for the event please use the email below.

We look forward to hearing from you!
