

Dear Sooke District 62 Colleagues and Community,

Belmont Secondary's repertory theatre company, **Theatre on The Edge**, is producing another challenging and exciting year-end production for 2019: Tom Stoppard's ***Rosencrantz and Guildenstern Are Dead***. **This well regarded and popular play respectfully turns *Hamlet* on its head in an intelligent, hilarious and playful way.**

We are developing an important theatre program for Belmont Secondary students which takes on challenging productions and, in our growth, we always seek opportunities to promote, build and expand our presence in **Westshore**.

We are asking for your support in helping us promote our theatre program and, of course, this year's year-end production. I am hoping you will make time to attend this challenging and delightful production that the students have worked so hard to put together.

Our run for the show is May 22nd-25th. Tickets are \$5 for students and \$10 for adults. Tickets are available online on the Belmont website and in person at the Belmont Office. Tickets are currently on sale and can be pre-purchased using cash or credit. Tickets will also be available at the door.

Showtime is 7:00 every evening (lobby open from 6:30); we will close the production on May 25th with a **unique, \$35 three course brunch and matinee combo in partnership with House of Boateng Café.**

The students and I look forward to seeing you attend our production and thank you in advance for your supporting theatre at **Belmont Secondary and Theatre on the Edge! Bravo!**

Sincerely,

Sean Cowie
