

IMAGINE WHO THEY WILL
BECOME BECAUSE OF YOU...

Teen Mentors from EMCS

impact a child's life
during the 2019-2020 school year
with just 1 hour a week, and

- Gain volunteer hours or school credits
- Build a resume
- Access scholarship opportunities
- Have fun during the school day!

We need Grade 10, 11 and 12 students to volunteer during school hours at Saseenos Elementary School. Teen mentors spend one-on-one time playing games, doing crafts, working on fun projects, and being a friend and role-model to a younger person.
