## ... Food Studies 10

+ FOOD SYSTEMS AND SUSTAINABILITY 11 (YRNR-1A)

+ FOOD SYSTEMS AND SUSTAINABILITY 12 (YRNR-2A)

– FOOD STUDIES 10 (MFOOD10)

Explore the cuisine of BC while you gain basic cooking and baking skills. Learn nutrition know-how beyond fast foods. Recipes will vary from baking to full meal preparation. Kitchen activities will include quick breads, cookies, cakes, soups, pastas, light lunches, healthy snacks, vegetarian items and ethnic meals. Students will learn about food systems issues for Vancouver Island and beyond while learning how to make informed decisions about the food they buy and consume. Students will also explore seed to plate through hands-on activities in the school garden and visits to local farms. Assessment: 70% practical 30% theory (written assignments)

# Selecting Your Courses

- Post your course requests in your MyEdBC Portal by **FEBRUARY 21.**

---

## Select Courses Online Using the MyEducationBC Student Portal

To log on to the student portal, click the MyEducationBC link below:

Once you've logged in to the portal, click the "**My Info**" top tab, then the "**Requests**" side tab. Full instructions [here](#).

All students must select a full schedule for next year. Careers classes will be taught in a blended format within the regular school day and during Focus Blocks. The number of courses comprising a full schedule depends on your Grade.

In addition to selecting a full set of courses, **students must select 3 alternate (back-up) courses**. You will be scheduled for your alternate choices if class sizes or scheduling conflicts prevent you from receiving one of your first choices.

**Extra Credit / Outside Timetable Courses:** Remember that Band, Leadership, Sports Performance Rugby, Superfit/Fitness and Conditioning, Work Experience, and Grad Council take place outside the regular timetable.

**Deadline for Course Selection ...** All students must complete their course selection for 2020/21 in the MyEducationBC Student Portal by **February 21, 2020**. Counsellors will be meeting with grade groups between February 10 and 13 to assist students with making informed choices and also ensuring they know how to use the online course selection portal.

Parents and students should be communicating at home about course selections.
