Appointment booking for in-class support for the week of June 15-19 is now available online at <https://emcs.studentappointments.net/>. The booking system for next week will close at 9pm on Saturday, June 13th.

We are also using School Appointments Online <https://emcs.schoolappointments.com/> for families to sign up for a time to return the items such as district owned textbooks, novels, and chrome books (with power cords), as well as allowing families an opportunity to pick up their locker items.

Please continue to stay in close contact with teachers and make sure that you know how you are doing with your skill development and meeting the learning standards for each course. Congratulations to Beth K.!

For her illustrations in “There’s a Dragon in the Hen House”. Beth K. is graduating from EMCS this June, and found a way to express her real self through her art. She chose to overcome her challenges and obstacles by making magic happen with her drawings. Beth focuses on her abilities and strengths, knowing that inside the ordinary love is there, waiting to happen!

Good work Jamie S.!

Graduation Update

Graduates have now received their confirmation of their time to walk across the beautiful EMCS stage or pick up their graduation items on June 24th. It also looks like the graduation photos generously supported by the grad class of 1978 will be published in the Sooke News Mirror on June 25th. This is the same day that we hope our official video graduation ceremony will be released! More details will be sent closer to the date with regard to how to view the ceremony.

Parent Advisory Council

EMCS has a small but mighty group of parents who run our PAC. We are grateful to all the parents involved. We would like to thank Paul Homer and Laurie Hornsby for their leadership and contributions. Congratulations on their graduation! Our next PAC meeting, which will include our transition to a new team will be Tuesday, June 16th at 6:30pm on MS Teams. Please email Principal Laura Fulton at lfulton@sd62.bc.ca for the link if you would like to join the meeting.

We would like to hear your feedback!

The SLS is the only source of province-wide information about students' learning experiences through the perspectives of students, parents/guardians, and school staff. Schools and districts use the SLS to make informed decisions around long-term planning and goal-setting, and in providing individual students personalized support.

Students/parents can complete the online SLS from home **any time before midnight June 30th, 2020**, providing immediate results to the school and the district at www.bced.gov.bc.ca/sat_survey/access.htm.
