

Science 9 students hard at work in the lab!

Health checks, masks, busses and air quality – what a week! We're once again amazed by everyone's flexibility and understanding! If your student needs any support please remember that we are here to help!

Student Parking Permits

Registration is now available online! Students can go to https://forms-reg.sd62.bc.ca/emcs_driver_reg to register their vehicle(s); permits will be delivered through your teacher.

Student Schedules

Please note the correction to our previous instructions – instructions to view the schedule for the year through Student MyEd BC Portals can be found [here](#). Parent portal instructions will differ slightly and can be found [here](#).

Any course change requests for the next block must be received by the office by Monday, September 21st. The form to request changes can be found [here](#).

Lifetouch photos

Thursday, September 17th is Photo Day! Caught by surprise? Don't worry, Photo Retakes are scheduled for Tuesday, October 6th. Students will be proceeding to the gym with their class and photographers will be distanced/masked. If your student is feeling uncomfortable, just ask them to let their teacher know and we will make sure that their photo is postponed, or that they have an opportunity to book a private appointment with Lifetouch. Order online through mylifetouch.ca either using Picture Day ID QU010510Q0 within 48 hours of photo day, or you can wait for the photo proofs to arrive before ordering. Please mail Mr. Powell (tpowell@sd62.bc.ca) with questions.

School Voicemail Problems

Please note that we had our phone system repaired yesterday. In the process, we have discovered that not all staff have been receiving their voicemail messages over the past few weeks. If you have left a message for a staff member and not heard back, please call our front office or email the staff member so that we can get back to you as soon as possible.
