

Octa 3 has begun smoothly, and the atmosphere of the school is one of calm learning. It is always the right time to reach out to teachers to communicate about your student's progress. Staff emails can be found [here](#).

Report cards from Octa 2 will be published by 4pm today on student and parent MyEd BC portals. For instructions on the [Parent portal click here](#), for [Student portals click here](#). So many wonderful projects were completed during Octa 2! We are excited to report that once again, students have achieved a 98% pass rate. Over the next two weeks, we will continue to work with any students who have remaining work from Octa 2 to see if we can help a few more students succeed.

As we look towards next year, and hopefully a 'post COVID' school system, please feel free to communicate any feedback you might have on how this year is going for your student to your VP or Counsellor of record (Last names A-L is Ms Jesson & Mr. Lyall; last names M-Z is Mr. Phipps & Mr., Powell).

10,000 Tonight with a Twist!

As with everything else during these COVID times, our amazingly-popular and incredibly important 10,000 Tonight Food Drive has also been impacted. The Sooke Food Bank is unable to take in donations due to a lack of space to quarantine the food, and all of their volunteers are in a vulnerable demographic. However, our EMCS Leadership students recognize that we couldn't let this go by the wayside. So, instead of the traditional ONE NIGHT food drive, EMCS Leadership (along with Belmont and Royal Bay) has created the **10,000 Tonight Campaign**.

This fundraising campaign will be from Monday, November 30 – Friday, December 11, and will include both a donation component as well as an online silent auction.

For every \$1 donated/raised, the Sooke Food Bank is able to purchase \$3 worth of food for their clients.
