

EMCS WEEKLY MESSAGE FOR October 05 2018

The staff at EMCS wishes you and your family a restful long weekend and a Happy Thanksgiving; classes resume first thing Tuesday morning.

Congratulations and Appreciation!

Thank you to all of those who have been working hard to harvest our garden. It has been a busy place as students (including our kindergarten buddies from Saseenos) have been pulling purple potatoes, armloads of fruit, and bunches of kale to be used in our Cafeteria! Please see the magazine article that featured EMCS as an exemplary school farm.

Important Information for Parents

We are planning a Lockdown drill Friday October 12th for 11:00 am. We will be following procedures common throughout the district. If you have any questions or concerns, please contact John Lyall at jlyall@sd62.bc.ca

Important Information for Grade 11 and 12 Students

University of British Columbia Information Night

Monday, October 29

7:00pm

EMCS Theatre

Grade 11 & 12 students and their parents are welcome to attend.

You will learn about: UBC programs, admission requirements, student housing, scholarships, athletics, etc.

Information will be shared regarding both the UBC Vancouver campus and UBC Okanagan campus.

University of Victoria Information Night

Tuesday, October 30

6:30pm

EMCS Room 2038

Grade 11 & 12 students and their parents are welcome to attend.

You will learn about: UVIC programs, admission requirements, student housing, scholarships, athletics, etc.

Following the presentation, UVIC staff and EMCS counsellors will be available in the computer lab to assist any interested Grade 12 students with the online application process. Students wishing to apply to UVIC that night, please bring a credit card to pay the UVIC application fee.

Important Information for Grade 12 Students

If you are registered for Calculus 12 next semester and would like to switch to Dual Credit Calculus 12, please put your name on the list on Mr. Phipps' office door.

Dual Credit Calculus 12 will give you credit for both Calculus 12 and Math 100 at Camosun.
