

What is myBlueprint?

The myBlueprint Education Planner is a student-friendly, interactive education and career/life planning resource that allows 7-12 students to reflect on their learning, showcase their growth, and share their achievements. ***The new Career-Life Education and Career-Life Connections courses, including Grad Transitions, use this platform to teach the career curriculum.***

Students can easily navigate through the program to:

- Learn more about themselves using the 520+ assessments
- Plan for high school
- Explore post-secondary opportunities across the country
- Explore and compare occupations
- Find entry-level jobs and volunteer opportunities
- Create resumes, cover letters, and budgets
- Set goals and action plans
- Create interactive portfolios for classes or applications
- Document evidence of learning using pictures, videos, drawings, and audio recordings.

As a parent/guardian, can I access myBlueprint Education Planner?

Yes! You can create an account and link to your child(ren) by following the steps below.

Why would I want access to myBlueprint Education Planner?

You child's career courses assignments are assigned and submitted through myBlueprint. The brand new family account allows you to view student assignments, artifacts and reflections, including the goals they are setting, occupations they are interested in, and what they are learning in school.

You can log in to your account to comment on your child's work or receive messages from their teacher(s).
