CRITERIA DETAIL

Reid Kyfiuk was a 15 year old boy who died on December 22, 2015 in a snowboarding accident on Mt. Washington. He was a student in SD63 (Saanich). Reid was a very lively, ambitious and intelligent person, who lived life to the fullest. He always had a smile on his face and was continually thinking of ways to make others smile. He loved sports, especially hockey, baseball and golf. Reid truly believed in the Golden Rule of treating others as you wish to be treated and that's how he lived out his strong faith. His religious beliefs directly impacted the way he acted. He simply loved people. Without being obsessive, Reid worked hard at always improving himself. He loved being outdoors, and could usually be found practicing whatever sport was in season. He loved his family, and always enjoyed coming up with the best impromptu jokes when everyone was together. Reid could always make everyone laugh. We invite you to tell us about yourself and how you try to have some of the same qualities that Reid held.
