PO Box 1010  
6218 Sooke Road  
Sooke, BC V9Z 1J1

Dear Mr. M. Bobbitt,

**Re: SEAPARC Youth Member Position**

I write to advise that the youth member position with the Sooke & Electoral Area Parks and Recreation Commission is vacant as of August 31, 2021.

Youth interested in the position must be registered in the local school district at the secondary school level and must receive nomination from the principle of Edward Milne Community School. The term of office for the youth member is for a one year period commencing September and ending on August 31 of the following year.

Nominees should have a genuine interest in recreation and the community and are expected to prepare for and participate in monthly meetings.

To acknowledge the youth member's volunteer services and contribution to the community, an access pass to the SEAPARC Leisure Complex is extended for the term of the position.

On behalf of the Commission, I would welcome your nomination.

Yours truly,

Kylah Bryde  
SEAPARC Manager
