

2022 Rotaract Club of Victoria Foundation Scholarship

About Rotaract:

Rotaract Clubs bring together young people aged 18-30 to exchange ideas and give back to their communities by following Rotary International's principle of *Service Above Self*. The Rotaract Club of Victoria is part of a global community of leaders acting for positive change. Rotary's areas of focus include peacebuilding and conflict prevention; disease prevention and treatment; water and sanitation; maternal and child health; basic education and literacy; community economic development and supporting the environment. We believe in being hands-on, connecting with our environment and building friendships, while giving back locally and internationally. Our club meets weekly at the University of Victoria, and partners with various organizations in the Greater Victoria area, such as the Mustard Seed and the Victoria Inter-Cultural Association.
