

District/Authority Scholarship Guidelines

District Scholarships recognize graduating BC students for excellence in their chosen areas of interest or strength. These scholarships are intended to help students pursue post-secondary education. Recipients are awarded a \$1,250 voucher that can be used toward post-secondary education tuition at an accredited institution.

The award may be used to defray tuition costs in a program of study outside of the focus area in which it was given. However, through the application process, the recipient must demonstrate a commitment to their continued growth in the focus area in which the award was received.

To be considered for a scholarship, a student must apply to the district scholarship committee and:

- Meet the following basic eligibility requirements:
 - Must be a Canadian citizen or permanent resident (landed immigrant) at the time of registration in the school year for which the scholarship is awarded.
 - Must be a BC resident.
- Must be or have been:
 - Enrolled in an educational program offered by the school district (including Distributed Learning), or
 - Enrolled in a Continuing Education Centre, or
 - Registered with a school in the District as a homeschooled child in the school year for which the scholarship is awarded
- Meet criteria determined by the district scholarship committee, which requires a student to demonstrate outstanding achievement in any of the following focus areas:
 - **Indigenous Languages and Culture**, demonstrated at school or in the community.
 - **Fine Arts** (e.g., Visual Arts, Dance, Drama, Music)
 - **Applied Design, Skills, and Technologies** (e.g., Business Ed, Technology Ed, Home Economics, Information Communication Technology, Media Arts, Tourism)
 - **Physical Activity and Health** (e.g., Athletics, Fitness, Outdoor Education, Dance, Gymnastics, not limited to Physical Education)
 - **International Languages** from the International Languages Curriculum or External Assessments, including AP and IB courses.
 - **Community Service** (Volunteer Activity), which includes awareness of local, global, and cultural issues.
 - **Technical and Trades Training** (e.g. Robotics, Coding, Carpentry, Automotive, Mechanics, Cook Training, Culinary Arts)
- Fulfill the BC graduation requirements of either the BC Graduation Program or the Adult Graduation Program by August 31st of the student's graduating year.

To receive the monies from this award, it is necessary to enroll in and attend a full-time program at a designated (approved for Canada Student Loans) post-secondary institution or an approved apprenticeship program. Recipients have five years to redeem the award.

Winners will receive a \$1,250 voucher in October/November 2023 that can be redeemed at a designated post-secondary institution or an authorized trades training provider, once tuition equal or greater than the amount of the voucher has been paid.
