EMCS's Week of Truth & Reconciliation

This past week, students took part in different activities each day to bring attention and awareness to the National Day for Truth & Reconciliation. Students made bracelets and buttons, painted rocks, engaged in teacher-led activities and discussions, and listened to Indigenous leaders who brought a personal connection to this important day. The week culminated with our Orange Shirt Day Walk, as classes travelled down to Saseenos Elementary to gift some of the bracelets, rocks, and buttons to their classes.

Provincial Assessments

The BC Graduation Program requires all grade 10-12 students to write the following Graduation Assessments: Numeracy 10, Literacy 10, and Literacy 12. These three assessments are a requirement for graduation. There are 4 assessment windows over the course of the school year, and students can re-write an assessment up to 2 additional times.

Assessment Window Dates:

1. October 30 – November
2. January 22 – 26
3. April 15-18
4. June 10 - 14

Students in Grade 10 will write their Numeracy 10 assessment and their Literacy 10 assessment in their regular Math and English classes during the corresponding Assessment Window. Students writing their Literacy 12 assessment will NOT write it during their English 12 class, but will be booked into writing it during the first assessment window (October 30 – November 3).

More information about assessments will be emailed directly to parent/guardians at a later date.

If you have a student who would like to see a sample provincial assessment, please visit:

EMCS Athletics

Cross Country at EMCS is going strong!

We have completed zone races at Lambrick Park and Beaver Lake so far and have UVic and Cedar Hill coming up!

EMCS had two senior girls at Beaver Lake—Emma Childs and Charlotte Prill. For the Beaver Lake race, we had several senior girls—Emma Childs, Charlotte Prill, Liv Rabien, and Morgan Van Hecke. We also had senior boy Finn Unger and Junior Girl Michaela Neely. All the runners did a great job on the 4k and 5k courses, and EMCS runners Emma Childs and Michaela Neely received ribbons in their categories.

Interested in joining cross country? Students can sign up right until October 7th! Practices are Tuesday and Thursday after school (no practice October 5th as we are racing at UVIC) Cross country is a great way to:

- improve fitness for other sports
- meet new people at the school
- become a faster runner
- check out different places in Victoria

Sign up information is in room 2045, just inside the library on the left. We look forward to running with you!!

Maggie Curtis mcurtis@sd62.bc.ca and Elliot Brady.

EMCS Athletics Cont.

Two weeks in and our team has shown a lot of growth, amazing attitudes, and demonstrated fantastic team comradery and spirit. We are captained by Aster who brings experience, leadership, and fantastic setting abilities.

We have One more set of home matches on November 1st at 6:00pm. Be sure to come by and cheer on our team!!

Girls volleyball at EMCS is off to a strong start this season! We have three girls teams representing our school in the LVISSA leagues! Make sure to check in with your favorite players about their schedules so you can come cheer them on this fall! Many thanks, as always, to our community coaches Dale Riddell and Marie-Ann Davidson for their invaluable contributions to our growing volleyball program.

EMCS PAC Corner

2023-2024 Primary PAC Fundraiser Info:

In 2023, the British Columbia Community Gaming Grants program changed its policies to exclude bursaries and scholarships from what is allowable use of funds. The EMCS PAC has invested in the youth of our community through PAC bursaries

for decades and are intent on actively fundraising to allow us to continue to financially support our students now and as they move on to their post secondary endeavors.

Our intention is not to compete with our sports teams or other charities in our community, so we will stay away from bottle drives, bake sales, meat draws, 50/50 tickets etc., and after years of COVID and financial strain on the resources of families and charities in our community, we want to do something that is easy and enjoyable to everyone involved.

We have settled on creating a win-win scenario with local business to create an online auction for April of 2024 that encourages shopping from local business for Mother's Day, Father's Day, Graduation and summer fun, in addition to daily needs. Thanks to a donation already secured to get this started, 100% of proceeds from this online auction, after payment fees, will go towards supporting our students at EMCS and those beginning their post secondary adventures.

What we are asking of you, is to connect us with local businesses that would be willing to participate. These businesses will gain exposure and an opportunity to showcase themselves. If you own a business, or know someone who does, that is located in the catchment area of EMCS, please recommend them to us by filling in the google form linked [here](#) or email me directly at TerryLangridge@TLCFS.ca so I can connect with them before October 31, 2023.

Thank you in advance,

Terry Langridge
