Dear Parents and Caregivers,

Congratulations! We are very proud of our 2024 graduating class and the positive impact they have had on our learning community. As we enter the graduation season, we want to highlight a few important details.

Attendance and maintaining focus until the end of June are crucial. This time is pivotal for our students as they wrap up their studies and prepare for the next chapter of their lives. Your support in encouraging them to stay committed to their studies until the very end is greatly appreciated.

We encourage you and your student to take some time to review the **scholarship website** (<https://emcs.web.sd62.bc.ca/counselling-centre/grade-12-information/scholarship-bursaries-student-loans/>). Being aware of upcoming deadlines for scholarship applications can significantly benefit their future academic pursuits.

We want to remind you of the importance of staying informed about upcoming events and deadlines. Please make note of the deadlines for forms and payments related to the Graduation Ceremony, and Prom:
