Dear Parents and Caregivers,

Firstly, congratulations! We couldn't be prouder of our 2025 graduating class and the impact they've had on our learning community. As we enter the graduation season, we want to highlight a few important matters.

Attendance and maintaining focus until the end of June are crucial. This time is pivotal for our students as they wrap up their studies and prepare for the next chapter of their lives. Your support in encouraging them to stay committed to their studies until the very end is greatly appreciated.

We encourage you and your student to take some time to review the [scholarship link on our website](#) as well as follow updates on the Grad Google Classroom for reminders and information pertaining to scholarships. Grad season can be a financial strain. If your family requires support with the cost of purchasing tickets to attend these events, please contact your child's counsellor or vice principal. Please note that through the Grad Fashion Show, students have an opportunity to volunteer, and proceeds will reduce the cost of their Prom ticket; encourage your grad to get involved with this event.

Thank you for your continued support and dedication to our students' education. Together, we can make this graduation season memorable and successful for all involved.
